**Regulation:**

8.2.2 Conditions for private testing

Unless agreed upon by ALMEM, private testing is prohibited for two weeks prior to race day for all teams and drivers entered in the Series or for drivers intending to enter, at the track (or part thereof) where the event will be hosted, regardless of what vehicle will be used.

Drivers may be allowed to participate in any commercial on-track activities, only with the express authorization of the ALMEM.

**Question:**

One driver of the TF Sport car #69 crew has been invited to participate in a test day at Dubai Autodrome held on 29 January 2022, which is exactly two weeks prior to Race 1 of the Asian Le Mans Series in Dubai. Could the ALMEM Committee give authorization for the driver to participate at the test?
