From : The Panel of Stewards

Bulletin No.: 01

To : All Competitors

Subject : General Information

Please be informed of the following:

1. Atmospheric Pressure: The official atmospheric pressure for the event is 1019 mbar.
2. Pit Stop Reference Time (PSRT): 100 secs (1 minute 40 secs)
3. Night Session: Considering the quality of illumination present at the entire track, all sessions including races will be considered daylight.

Articles in reference to running at night will not be applied.

4. Pit stop penalty procedure: Please be advised that a penalty that involves additional time imposed on the next pit stop, and the next pit stop happens to be intended as one of the required minimum three pit stops under Article 12.4.2, this additional time penalty **MUST** be served at the start of that particular pit stop. This time penalty will be additional to the 100-second pit stop reference time.

5. Declaration of Start Driver: Please be guided by the following schedule and deadlines:

Start Driver for Race 1 and 2: To be declared within the period of Administrative Checks.

Any changes to the declaration for Race 1 or 2 must be submitted within 30 minutes from the end of Qualifying.

After this time, any further change to the Start Driver for Race 2 must be made within 30 minutes from the end of the Warmup Session, and may be subject to a penalty.

Any request for a change to the declared start drivers must be submitted by email to Colin Ong (c.ong@lemans.org)
