CATEGORY

☐ LMP2 ☒ LMP3 ☐ GT3

PURPOSE OF THE REQUEST

In Article 6.5.4 about tires allocations are stated the number of tires available per session. Qualifying practice and race seemed to be a separate allocation and there is no mention about using Qualifying practice set of tires during the races. Could you please clarify if Qualifying tires are accepted for the races?

The number stated is the number of tires, does that mean that we are free to use different number of front and rear tires?
