06-08 DECEMBER 2024

From : The Panel of Stewards

Bulletin No. 01

To : All Competitors

Subject : General Information

Please be informed of the following:

1. Atmospheric Pressure: The official atmospheric pressure for the event is 1006 mbar.
2. Pit Stop Reference Time (only for LMP3): 100 secs (1 minute 40 secs)
3. With reference to Article 7.5.2, the equivalent time for a drive through and a stop and go are as follows:
 - A drive through: 25 seconds
 - A stop and go: 30 seconds plus the imposed stop time

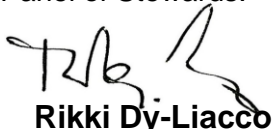

4. Start Driver Declaration:

Competitors are required to declare their starting driver for Race 1 and Race 2. In lieu of Article 5.1.2, this must be done by sending an email to startingdriver@asianlemansseries.com on or before 30 minutes after Free Practice 1. Should the Competitor eventually decide to replace their declared start driver, this can be done (without any penalty/ies) by emailing the request to change following these deadlines:

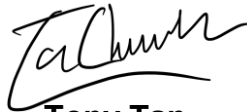

- a. For Race 1: Within 30 minutes after the end of your respective Qualifying session.
- b. For Race 2: Within 30 minutes after the Warm Up session.

For your information and guidance.
