06-08 DECEMBER 2024

From : The Panel of Stewards
To : The Competitor's Representative
AF Corse

Decision No. 05

The Stewards, having received a report from the Asian Le Mans Series Technical Delegate, have considered the following matter, determined a breach of the regulations has been committed by the competitor named below and have decided to impose the following penalty:

No / Driver 51

Competitor AF Corse

Session Post-Free Practice 2

Facts At post-FP2 technical scrutineering, Car no. 51's fire extinguisher was found not armed.

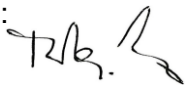

Offence Breach of Appendix J, Article 257A, Article 1310

Decision A fine of Euro 500 imposed on the Competitor.

Reason The Stewards interviewed the competitor's representative who explained that there was a miscommunication between their crew and one of the pitlane officials at Parc Ferme when the former sought approval to approach the car to turn the master switch off, to which, approval was given. The team representative claimed that given the approval, their team crew inadvertently understood being given approval to switch off both the master switch and the separate fire extinguisher arming switch. Subsequently interviewing both the pit lane official and the Technical Delegate made the Stewards understand that indeed, there was such a request for approval and that approval was given for the master switch. Finally, the Stewards failed to be convinced that the fire extinguisher arming switch was only switched off after FP2 at Parc Ferme and did not ran the session with it armed.

The Competitor is reminded of their right to appeal the decisions of the Stewards (with the exception of those referred to in Art. 12.3.4 of the FIA ISC and Art. 7.4 of the Asian Le Mans Series Sporting Regulations), in accordance with Art.15 of the FIA ISC and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time lim
